

## › Services & Solutions

Zanett offers a range of services solutions to our clients, enabling them to gain Real Enterprise Value™ in their investments in technology. Rather than relying on a variety of partners, we strive to provide you the opportunity to get the continuity and quality that comes from a relationship based on a deep understanding of your business and your unique challenges.

### › Business Solutions that Deliver Real Value

#### › Business Consulting

Zanett supports initiatives in Human Capital Management, Supply Chain Management, Finance & Compliance, and Information Technology. Our consultants offer expertise in business process design, software selection, change management, and risk management.

#### › Business Applications Consulting

Zanett boasts over 400 successful ERP implementations and over 1,500 engagements over the last decade. Zanett is an Oracle Certified Advantage Partner (CAP) for ERP applications, Microsoft Gold Certified, and Cognos Gold Partners. Zanett supports the full lifecycle for applications including Selections, Assessments, Implementations, Optimizations, Upgrades, Maintenance, and Hosting.

#### › Infrastructure Technology

Zanett's Infrastructure technology services offer 10+ years of proven success. We offer flexible delivery - Onsite, Onshore/Offsite, and Offshore. Zanett supports both Oracle and Microsoft technologies including Fusion Middleware Enterprise Integration, Services Oriented Architecture (SOA), Business Process Execution Language (BPEL), and Oracle Database Consulting.

#### › Managed Services

Zanett Managed Services provides the highest level of availability and customer service utilizing the latest tools and technology. We provide Oracle ERP Managed Services for EBS, JDE and PeopleSoft, Hosted Administration, Remote Administration, Application Management, Application Upgrades, Oracle Database (non-ERP), and Business Process Outsourcing.
